Please join us Friday night to kick off the Florida Little Britches weekend rodeo with a jackpot barrel race to raise funds to help cover the medical costs for one of our young cowboys. Jerry was injured while competing at a Florida High School Rodeo in early November. He suffered 2 fractured discs in his neck and will travel to Dallas to receive the care he needs. We will also have 50/50 tickets for sale and lots of good food at concession. So come hungry!

*Text in pre-entries 352-538-7177 (OR mail in entry with payment by January 4th for a \$5 discount and avoid the office line.) Entry form posted on WHA facebook and website.
Entries close Wednesday, January 23rd, pre-draw posted Thursday!*
