WPRA Tour	Stacey Freitas	<p>Rule Proposal for WPRA Tour I would like to propose to change how points are awarded if the day money system is used at a WPRA Tour rodeo. In the past, if the day money system is used at a WPRA Tour rodeo, two sets of points have been awarded to both sections of day money paid, which allowed for two winners to receive 15 points at a single event. I propose that points be pro-rated between the sections just as prize money is pro-rated. I propose we implement the recommendation from Montana Circuit Director Dillon McPherson to pro-rate points. Prorated points, based on how you would do a prorated payoff. 82 total points would have been awarded had the rodeo paid off normally with no day pay. 82 points/46 contestants=1.7826086957 points per contestant *12 in the 1st section= 21.39 total points for 1st section *34 in the 2nd section=60.61 total points for 2nd section. Then I used the payoff percentages for 6 places for the 1st section and 10 places for the 2nd section, since the guidelines for applying tour points are not based on number of entries or figured by percentages, instead number of places paid and just that 1st always gets 15 points and last gets 1 point. The following is from the WPRA website on how points are awarded.</p> <p>Points: Points awarded by the # of places: 4 places: 15, 10, 5, 1 6 places: 15, 12, 9, 7, 5, 3, 1 8 places: 15, 13, 11, 9, 7, 5, 3, 1 10 places: 15, 13.5, 12, 10.5, 9, 7.5, 6, 4.5, 3, 1 12 places: 15, 14, 13, 11.5, 10, 9, 8.5, 7, 5.5, 4, 2.5, 1 15 places: 15, 14, 13, 12, 11, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1</p>
