Once the contestant has ridden her horse across the score line, it is the sole responsibility of the officials to determine whether a contestant gives an honest effort. In making this determination, Officials should consider whether the contestant has made a good faith effort to successfully complete the event and record a time.
- J. Any contestant using foul language in the arena, either audibly or by obviously mouthing the words, will be fined in accordance with Rule R11.4.6, of the PRCA Rulebook "Conduct Detrimental to Public Image" and, for WPRA contestants, the WPRA Rulebook and will be assessed a minimum initial fine of \$500, that fine doubling progressively for each offense thereafter.
