Turn out/Alternate Procedure: Contestants who have originally entered and were eligible at time of entry but were drawn out will be added to an alternate list. These contestants will be notified of any turn-outs or doctor releases and be given the option of re-entry up to the 3 hours prior to rodeo turn out deadline.

All contestants must check in with rodeo secretary prior to rodeo to receive contestant package/back number. If a contestant does not check in they may be replaced with an alternate/walk up replacement.

Walk Up Replacements: Contestants who have originally entered and were eligible at time of entry may in person check with the rodeo secretary no later than 1 hour prior to the performance to confirm their availability and desire to be an alternate. If selected, by random draw of all walk ups available, an alternate will assume the

competition position of the contestant that he is replacing, in the rough stock they will draw stock from a pool of animals consisting of all turned out stock for that performance and all re-ride stock for that performance. If stock has already been drawn in the timed events contestant will receive the stock that has been drawn for that contestant.

*If a contestant notifies a turn-out, DR or visible release and is replaced by an alternate, the alternate contestant will be responsible for the entry fees. If the contestant that notified the turnout or visible release is not replaced by an alternate, they will be responsible for the entry fee. If a contestant property doctor releases they will not be responsible for entry fees.
