Pro Elite Sire Incentive (PESI) Guidelines

Guidelines

The Pro Elite Sire Incentive (PESI) is brought to you by the Women's Professional Rodeo Association. The PESI is a program designed to reward stallion owners, breeders and owners when a horse is successful at PESI approved events. The program allows stallion owners to market their stallion to a wide audience as well as receive bonus money for winning offspring. The program also rewards offspring owners for competing at approved events and breeders for choosing PESI enrolled stallions. PESI was built with the rodeo horse in mind and is the only incentive program that is included in futurity, derby, open jackpots and professional rodeo!

I. Stallion Enrollment

1. Stallion enrollment is annual and the season shall be January 1 through December 31.
 - A. There are 2 ways a stallion can be enrolled in the program:
